Visit the school's website : www.baltazard.com

Teacher: Born in Paris in 1968, Suzanne moved to Menthon in 2005, to the family home where she spent holidays as a child. She teaches French and English to adults, as well as to children from the age of 2 and has developed a special teaching method using music and sign language. She is a History and Languages Graduate (master in French as a Foreign Language) and is happy to help her guests discover French culture.

Availability: during school holidays for full homestay (accommodation + lessons + services)

+ possibility of house sharing throughout the year
